Honor and Glory to the only LIVING GOD

Righteousness and Justice are the foundation of your throne.

Psalm 89:14

G: Daughter, who is the architect of the light rail?

Vision: Ed Pastor's face.

G: What did he want to bring to the community?

Vision: Death.

G: Daughter, what does my word say? For whatsoever a man soweth...

C: That shall he also reap (Gal 6:7).

G: Yes daughter. Where have I told you the life of the body is located?

C: In the blood Father (Lev 17:11).

G: Daughter, what organ in the body works directly with the blood?

C: The heart, Father.

G: What caused Ed Pastor's death?

C: A heart attack.

G: "I judged him" and so I will do from here on. I weigh their acts on a balance for those who have done wrong in advancing this project and they shall receive their pay. For I am the Almighty.

I will strike the shepherd and the sheep of the flock will be scattered (Mat 26:31)
